Our School, which is established by SMEDU Trust, believes in ingraining ancient traditional values along with modern approaches. This newsletter connects you to the learning environment of our budding scholars and brings you information about various formal and informal activities.

We, proudly, announce that our Rajajinagar Branch of Little Ville School has been awarded the **Excellence Award** for being "Innovative in Teaching Techniques".

## Happy Teachers Day

We celebrated Teacher's day to honour and recognise our teachers' contribution as builders of the nation's future. Our teachers ensure their students are armed with proper knowledge and wisdom to lead their lives responsibly.

We, at Little Ville, believe in providing nurturing structured and experiential environment to give home away from home to our students. Our vision is to raise informed future citizens of India who can deal with any situation of life, confidently.
